The Cemetery Trustees of the Town of \_\_\_\_\_, New Hampshire, in consideration of the sum of \$ \_\_\_\_\_ (Lot Price) and \$ \_\_\_\_\_ (General Care) having been paid to the Town, do hereby grant to:

\_\_\_\_\_ (the "Holder"),  
his/her heirs, successors or assigns, subject to the conditions below, the Right to Inter human remains in the \_\_\_\_\_ Cemetery, Section \_\_\_\_\_, Lot(s) \_\_\_\_\_, subject to the Laws of New Hampshire and in accordance with the \_\_\_\_\_ Cemetery rules, including but not limited to lot size and capacity as specified therein.

It is strongly recommended that the Holder named above designate the person or persons who may be interred in said Lot(s). The Holder may change the designation at any time in the future by contacting the Cemetery Trustees and completing the appropriate form. The initial designation, if any, is indicated on the reverse side of this document.

Transfer of Ownership or Relinquishment of Right to Inter During Lifetime of Owner:

The Holder may not directly transfer this Right to Inter to another person or persons, or entity, except as set forth herein.

1. The Holder shall request in writing that the Cemetery Trustees issue a new Right to Inter to the new assignee. The Holder shall surrender the original Right to Inter instrument to the Cemetery Trustees and shall be refunded the original Lot Price as stated above. The assignee shall pay the then-current Lot Price and General Care amounts to the Town, and the Cemetery Trustees will issue a new Right to Inter. The Assignee shall then be considered the Holder.

2. The Holder may only transfer a Right to Inter in accordance with this section and only to a person or persons eligible for burial in the \_\_\_\_\_ Cemetery pursuant to the then-current rules adopted by the Cemetery Trustees.

3. If the Right to Inter has not been exercised and the Holder wishes to relinquish and return it to the Town, the original Lot Price stated above shall be returned to the Holder upon receipt by the Cemetery Trustees of a written request to relinquish the Right to Inter.

Transfer of Ownership of Right to Inter upon Death of Holder:

The transfer of ownership of the Right to Inter upon the death of the Holder shall be governed by the provisions of RSA 290:24, as amended from time to time, the current version of said provisions being set forth herein for convenience:

1. If the deceased has designated a person to assume ownership of the cemetery lot or burial space in a written and signed document, ownership passes to that person, subject to the regulations established under RSA 28:92.

2. If the deceased has not designated a person to assume ownership of the cemetery lot or burial space in a written and signed document, ownership shall be determined under the provisions of RSA 561:1 and RSA 289:2.

3. Notwithstanding other provisions of this subdivision, when the ownership of a cemetery plot or burial space is unclear or in dispute, the court of probate for the residence of the deceased may, upon receipt of a petition filed by the next of kin or other interested party, render a determination regarding ownership of the cemetery plot or burial space in compliance with applicable law, including any regulations established by the municipality or Cemetery Trustees under RSA 289:2.

### **Interment Designation(s)**

The following individuals are authorized to be interred within Section \_\_\_\_\_ Lot(s) \_\_\_\_\_ in the \_\_\_\_\_ Cemetery. If all burial spaces covered by this Right to Inter are not designated, subsequent designations may be made and the Cemetery Trustees shall allow additional interments in accordance with applicable Cemetery Rules and the Laws of the State of New Hampshire.
