Claire consulted with town consultants working with business community. She asked about email addresses for local contacts. She wants to draft an email to restaurants to ask if they are interested in take-out concert specials, and we'll promote it, perhaps use last concert date for a community picnic.

Claire to talk with businesses about another scavenger hunt idea, in the future. Badges and decals need to be printed, and plans created.

Weekly calendar sample: created by Claire, she will include all events for posting and giving out around town. Antique car parade to go around the lake August 1 during the day.

OHD: talk about doing another car parade, putting out invitation for groups to be involved.

Old Home Day is just the concert at this time. Lucy Ford is interested in doing a car show.
