

Historic District Commission (HDC)

Filing Dates

2020

We STRONGLY encourage you to talk to the Land Use Office before a project idea is urgent. Feel free to schedule an appointment ahead of time. Each hearing date with the Bristol HDC has a deadline for submission. An application shall be complete with supplementary materials (e.g. checklist) and fees paid. The Land Use Office will review the application materials and provide feedback as soon as possible.

Missing information / forms could impact the actual hearing date of your case — or the case may be rejected by the Commission for incompleteness. Feel free to request a continuance to the following month if necessary.
