#### Old Business

Tball Field Update: Les reports that at the last Select Board meeting they asked that we hold off on any field projects at this time. They are meeting again this week and she will ask for an update.

#### New Business

Concession/Press Box: Dorcas reports that she has spoken with Jessica Cook of Eagle Pond Studio. She is interested in our project. It was agreed to see if you she would attend a meeting with us at Kelley Park to look at the proposed area. Dorcas will follow up with her and let us know.

Graduation: Les reports that she had a call from Stacy Buckley and the HS is wondering if Kelley Park might be available for a drive in graduation event. There would be up to 100 cars. Les asked Jack for his opinion on whether this would damage the field. He feels that as long as it is not wet it will be fin. The group agreed that we would be open to this. Les will follow up with Mark Bucklin tomorrow.

Field Work: Jack said that a first round of fertilizer has been done. The soil is good. We need to do an application of gypsum. Alex asked if we can do something about the weeds on the infield of the baseball field. Jack has a couple of companies that can do this work and he will reach out for pricing.

Next Meeting: We will meet when it is convenient for Jessica Cook to meet with us at Kelley Park.

***Alex Sobolov moved to adjourn at 6:25 pm. Jack Doucette second.***

Respectfully Submitted, Les Dion
