Vice-Chairman: D. Milbrand made a motion, second by D. Gordon, to elect Clay Dingman as Vice-Chairman. The motion carried.

MINUTES OF MAY 14, 2019:

D. Gordon made a motion, second by C. Dingman, to approve the minutes as read. The motion carried.

CLG GRANT STATUS:

Mr. LaFlamme stated that he and Mr. Simonds have been working on this and have received the draft plan for the survey of the 6 cemeteries. It includes maps, historical data, identifies some of the headstones, and the boundaries. The Sleeper 2 cemetery has been changed to being on Akerman Lane. A drone was used for some of the information.

Mr. Dingman asked if the NHDR has been notified. Mr. LaFlamme and Mr. Simonds said that they haven't reviewed it yet, as far as they know. Stephen has sent a copy of the plan to the State. The visit to the Worthen cemetery is to be done at a later date due to how busy this weekend is expected to be. The Board discussed the historical significations. For unmarked and indented grave sites, ground penetration (the only way to identify these) is too expensive. Mr. Simonds stated that a few flyers are posted around for the workshop. Mr. Milbrand suggested that it be placed in the Town Crier and on TV.

Mr. LaFlamme mentioned that the 25' protective zone around a cemetery was looked at and only the one on Route 104 has an infraction (the drive that passes by it).
