Town of Bristol
Application for Driveway Permit

Date: __________________________

Owner/Applicant: __________________________
Mailing Address: __________________________

Telephone: __________________________
Location of Proposed Driveway: __________________________
Tax Map / Lot #: __________________________

Permission is requested to construct _______ driveway entrance(s) to my property on the _______ (North, South, East, West) side of __________________________ Street/Road in the Town of Bristol at a location which will meet the requirements for safety specified in NH RSA 236:13. The driveway is requested for access to __________________________ (residence, business, subdivision, etc.)

DRIVEWAY LOCATION MUST BE CLEARLY MARKED (FLAGGED OR STAKED) AT TIME OF APPLICATION.

All (new) driveways entering a Town road such that natural flowage water is obstructed shall require a culvert having a minimum diameter of 12 inches, minimum length of 20 feet, placed in the roadway drainage ditch. The cost of said culvert and installation and maintenance shall be born by the property owner, with cleaning and replacement done by the Town. No driveway drainage shall enter upon the traveled way. Installation of culvert and adequate drainage shall be approved by the Highway Superintendent and/or his agent. Culverts shall be purchased from suppliers other than the Town.

Width Along Road: __________________________
Culvert Length (feet): __________________________
Hot Topped: □ YES □ NO
Culvert Diameter: __________________________
Base Under Culvert: __________________________
