New Business:
Resignation - Mrs. Heaney emailed the Select Board her resignation, due to stress of lack of business for her bed and breakfast during the COVID-19 pandemic. Discussion followed and a motion was made to accept Mrs. Heaney’s resignation by Mr. Batchelder, seconded by Mr. Brown. Motion passed by roll call vote 4-0-0.

Election of Officers - Mrs. Cote asked if anyone had a nomination for Chair of the Conservation Commission. It was recommended that Mr. Brown be considered for the Chair position. Mr. Brown said he would be willing to unless someone else wanted to take the position. Motion to approve Mr. Brown as Chair of the Conservation Commission by Mrs. Cote, seconded by Mrs. Bemis. Motion passed by roll call vote 3-0-1.

Special Use Permit - Map/Lot #212–032 – Hundred Acre Wood Road
Ms. Goodwin presented the case for a Special Use Permit for two items – a septic system within 125ft of the wetland delineation and a home within 50ft of the wetland delineation. The Commission reviewed the information provided. Ms. Goodwin pointed out the additional wetlands shown on the applicant’s plans, which is a discrepancy from the Town’s mapping. Mrs. Cote stated maybe they tested the soil in order to determine the poorly drained site and maybe it deems a site visit is needed to verify. Ms. Goodwin stated that the septic designer is indicating that this is the best suitable spot for the septic and home, because of the wetlands and the banking. Ms. Goodwin will get in touch with the property owner and the
septic designer, Mr. Barnard, to set up a site visit. In addition, Mrs. Cote requested that we ask the property owner for building plans and the missing narrative.

*Notice of Incomplete Wetlands Statutory Permit-by-Notification Case #2020-01284 Map/Lot #210-011*

The Commission discussed putting a binder together for new members that states all rules and regulations.
